# Mount Gambier Library Market

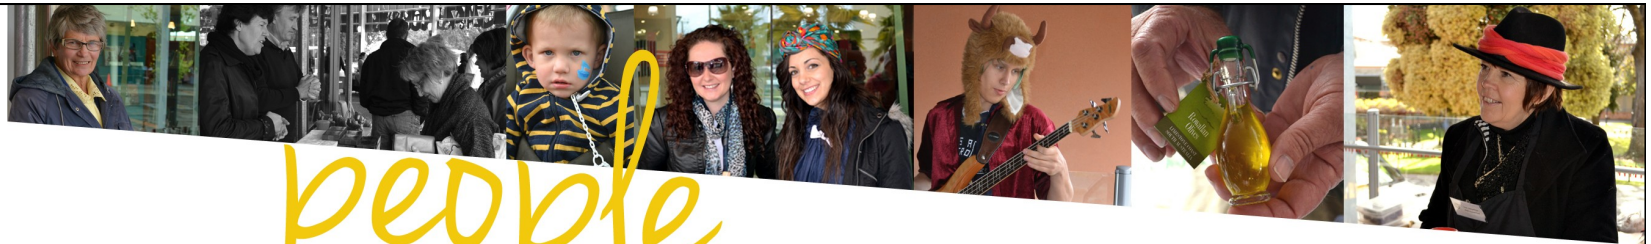

The Library Markets highlights fine South Eastern art & craft - hand made pieces, innovative design, stylish clothing, locally grown produce. With an abundance of food and hand crafted pieces, there is something for everyone.

Enjoy the sights, sounds and colour of Mount Gambier's best hidden secret, the Library Markets.  
**Next Market:**  
**Sunday October 9th**  
**10.00am to 2.00pm**

The Library Markets have a quirky metropolitan feel in our thriving inner city precinct. The special part of the event is that you get to meet the artisans and producers who have made or grown what they are selling, which we believe makes the experience even more enriching.
